WE MAKE IT COUNT

# ABOUT US

---

Tyche IT Consulting (TIC), founded in 2008, offers complete business and IT solutions for Security Administration, CRM, Human Resources, Supply Chain, Corporate Finance, Business Intelligence, Computer Networking, Search Engine Optimization and a wide variety of technology integration.

## Why TIC is Different:

TIC specializes in the project implementation and ongoing support of your IT needs.

TIC's extensive experience and large client base speaks volumes about our focus and expertise.

One of the most important aspects is that we focus equally on people and processes as well as the tools and technology involved in the solutions we provide to our clients. This enables us to provide world-class IT services at affordable cost, in all IT departments with a constant and relentless emphasis on quality and excellence in service, which also helps us to develop endearing relationships with our clients while viewing their unique business challenges and opportunities as our own.

Our Key Ingredients of Success are:

- ✓ Business Culture
- ✓ Domain Expertise
- ✓ Technical Expertise
- ✓ Strong Relationships
- ✓ We never let you down

# OUR PHILOSOPHY

---
